

friends of the ARTS

FAME (Fine Arts Mini Experience) is a volunteer driven program that brings Fine Arts and Music into the classroom. It introduces students to influential artists and musical composers and exposes them to concepts that can be applied to all genres of art and music.

Parent docents teach six lessons a year in the classes of their children. The lessons are pre-scripted and all of the material is provided. Each lesson teaches about one artist and one composer, and also incorporates an art project. No experience or knowledge of the arts is required, just a desire to enrich the classroom!

The impact of FAME is realized when parents volunteer! Become a Friend of the Arts by supporting Proctor's FAME Program for the 2011-2012 school year!
