

Proctor School PTA

Proctor Families,

It is with great pleasure and pride that the Proctor Elementary School PTA announces our 6th annual walkathon. Our walkathon raises money for the PTA and promotes Castro Valley Unified School District's commitment to health and wellness in the community. Our goal is to have 100% participation from our student body. We feel that a healthy child makes for a more focused and committed student.

In order to accomplish 100% participation, we would like to cover our expenses with sponsorships. The walkathon is scheduled to begin during school hours, and our plan is for all students to walk. All students will walk for at least an hour and receive a free t-shirt for their efforts. Any money raised above our expenses will increase our funds for our student body. Currently, our PTA provides much needed funding for classroom activities such as art, science, computers, and music. We believe our support adds to the overall educational experience of the entire student body.

We hope that you, or someone you know, might want to participate in Proctor's 2011/2012 Walkathon. We are looking for businesses who would like to aid in the production of our t-shirts. All sponsors who donate at least \$100 will be acknowledged with their business name printed on our t-shirts.

As a sponsor, your business name would be seen by the families of the nearly 600 students at Proctor Elementary School. This is a great opportunity to both advertise your company, and to show your commitment to the community. As a sponsor of our event, you will receive a thank you letter from the PTA which would serve as your tax donation receipt.

T-shirt sponsors may elect to have their donation go toward a Proctor student's pledge amount so that the student can earn bigger and better prizes! For example, if your student finds four businesses to sponsor our event, he or she will earn BIG prizes! Prizes TBA.

T-shirt sponsors due no later than September 9th, 2011.

Any help you can provide would be greatly appreciated by all of us at Proctor Elementary School.
